Facilities Council**

IPS Fellowship Scheme

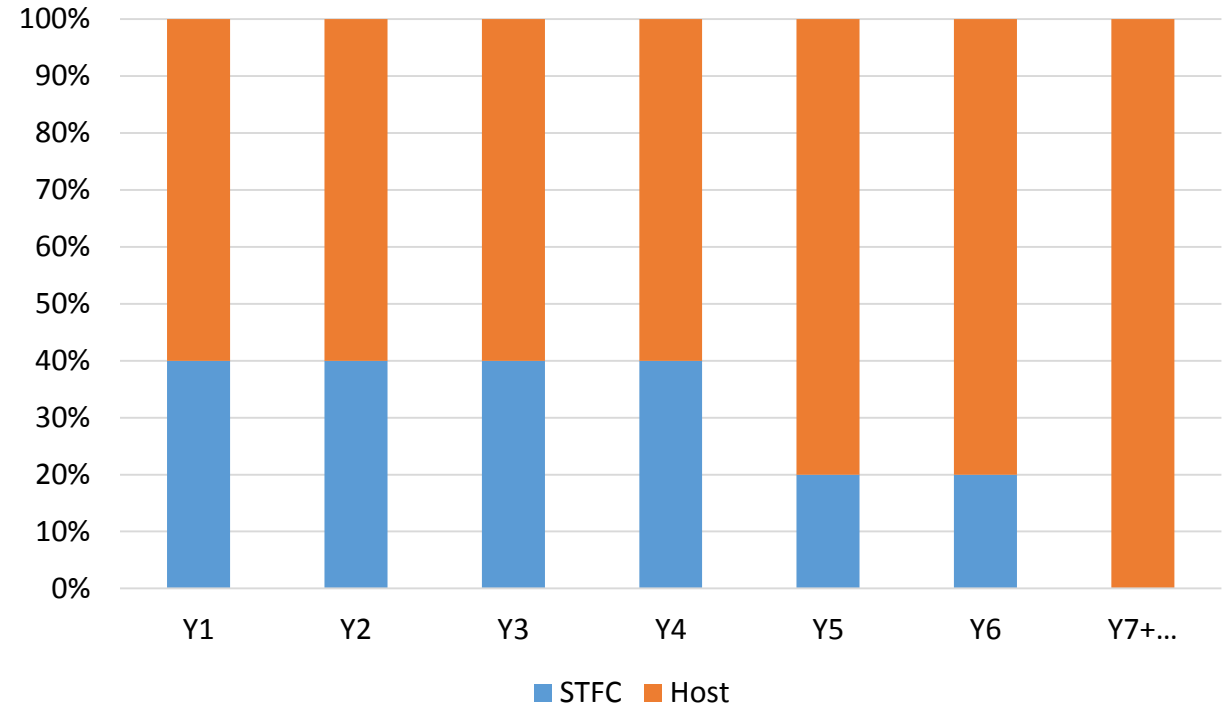

IPS Fellowships nationwide

- 6 completed fellowships (Cambridge, Leicester, Oxford, OU, Sheffield, SUPA) ●
- 5 current fellowships (Liverpool, Manchester, Portsmouth, Sussex, Warwick) ●
- ~45 STFC-funded institutions yet to hold an IPS fellowship ●
- The size and scale of your STFC-funded science base does not matter...
- ... what matters is the value an IPS fellow can add to KE, innovations and impact.

Funding & Duration

- Staff costs for full-time IPS Fellow
- Small % of PI's time
- Travel & consumables necessary for the job
- Funded at 40% for 4 years (50% @ 80% fEC)
- Possible extension funded at 20% for 2 years
- Host organisation must fund the remaining 60 / 80 %

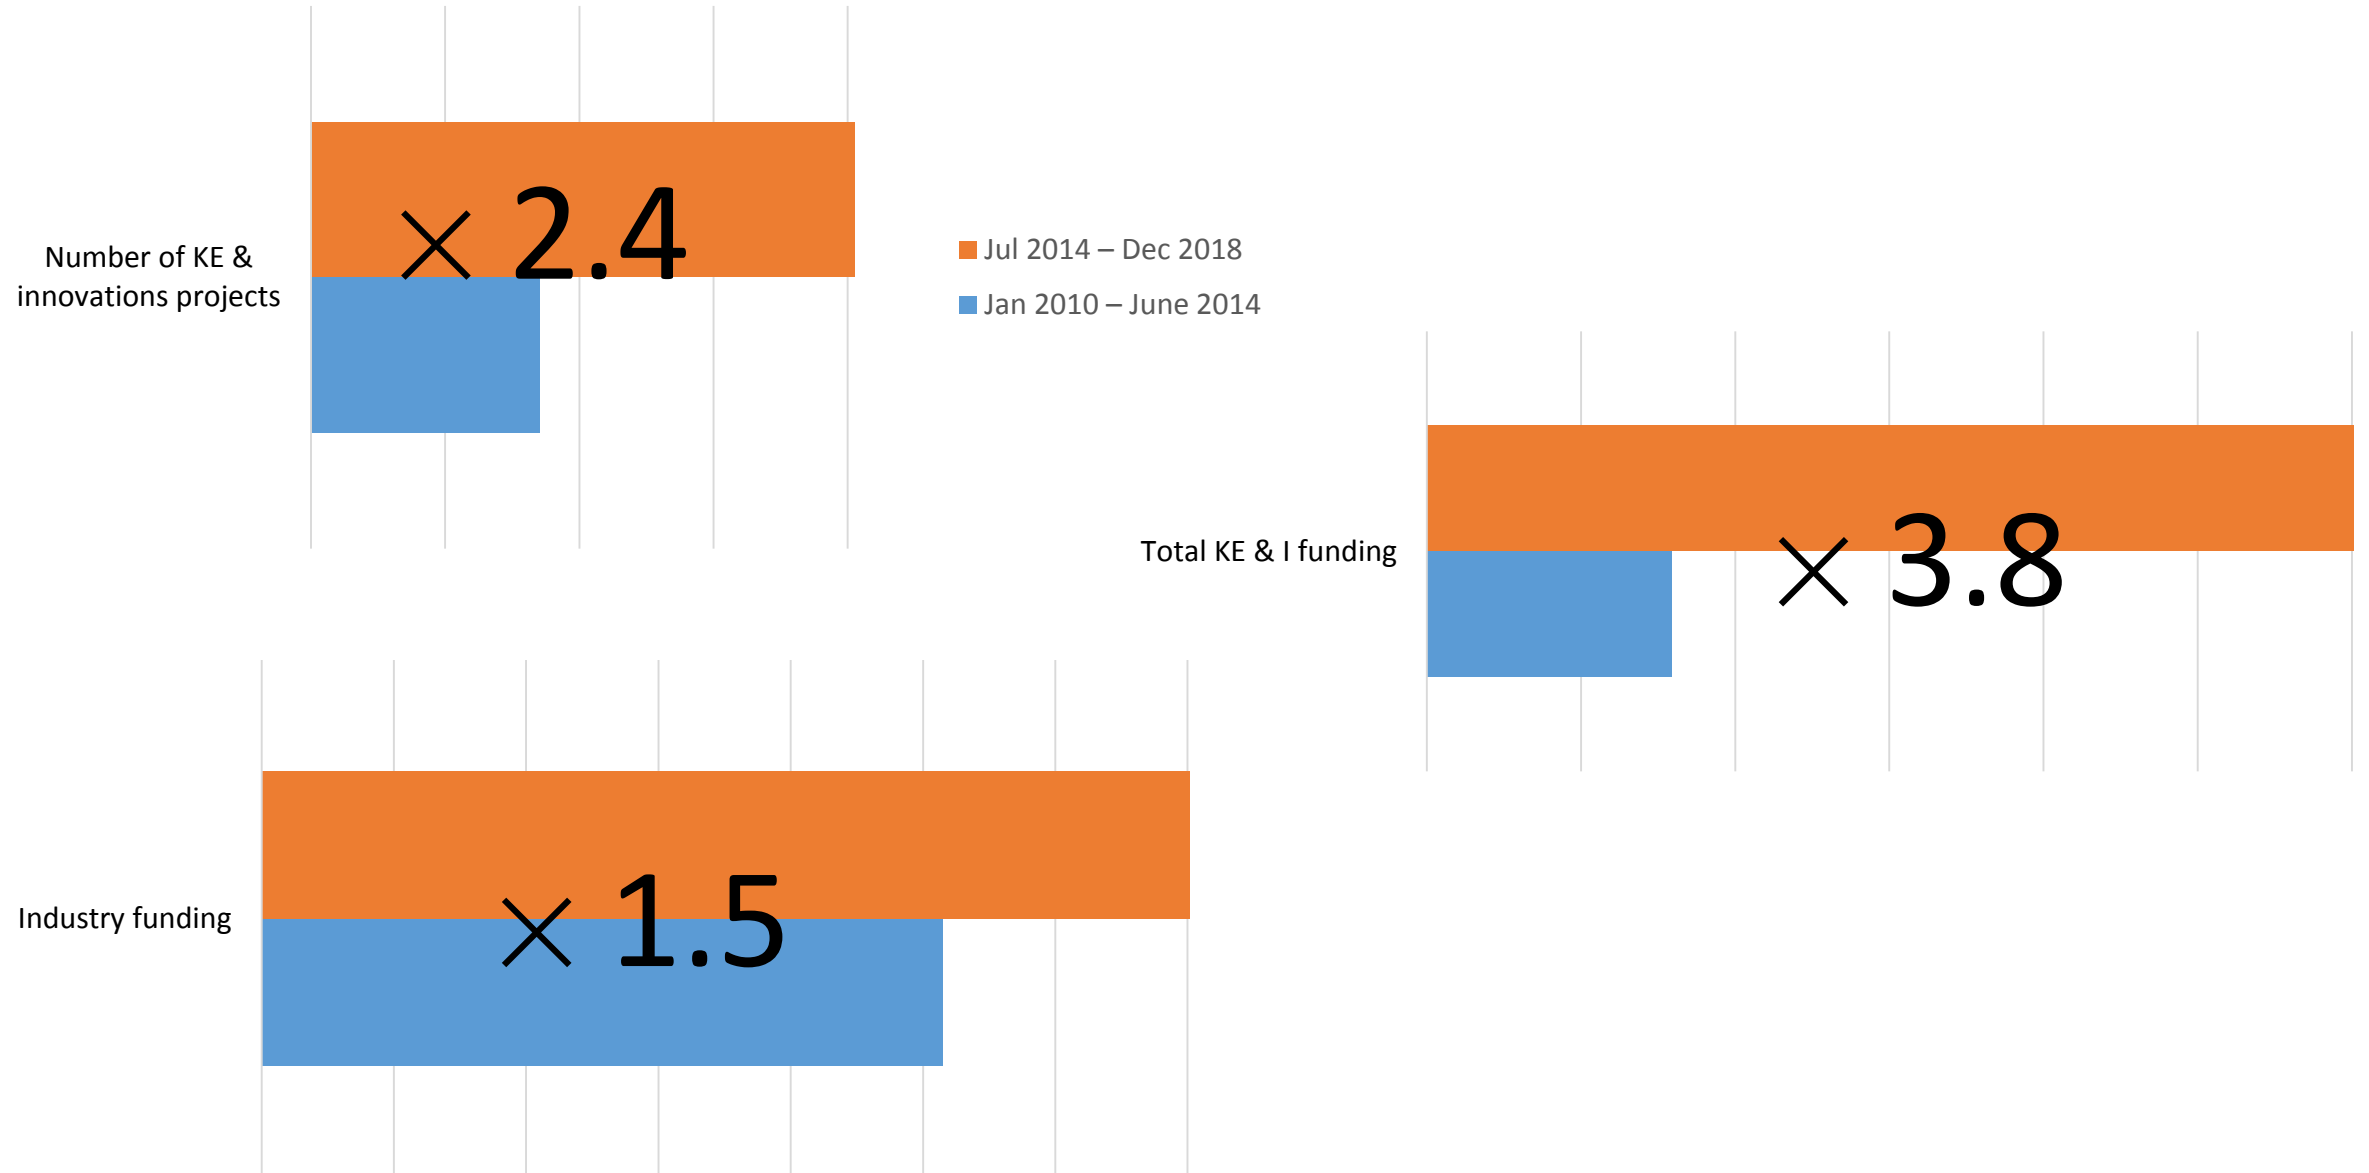

What does an IPS Fellow actually do?
