## **Would your business benefit from free access to our laboratories, specialist equipment and business support networks?**

Businesses are invited to submit an application form\* outlining their requirements and how they believe the Science and Technology Facilities Council (STFC) can support their business.

In the run up to the deadline we will be hosting a drop in event to allow candidates the opportunity to view the facilities at Daresbury.

**Drop in days will be held on:**  
18th January & 26th January 2018

**To book your place or enquire about the drop in days please contact:**
