CLASP - Aims

- Challenge Led Applied Systems Programme (CLASP)
- Support novel and imaginative approaches and new solutions that demonstrate market need
- £1.5M STFC funding available
Partnerships are encouraged with other research groups & disciplines.

• All applications must be led by an STFC funded research group.
• Industry can be included in a project offering in-kind support or as a subcontractor for key tasks.
• Collaboration agreements must be in place before projects start.
